ALL-COUNTY INFORMATION NOTICE I-95-85

• TO: COUNTY WELFARE DEPARTMENTS

SUBJECT: REQUIRED DSS POSTERS

REFERENCE:

At a recent County Welfare Directors Association meeting we agreed to provide a list of all required departmental posters and their retention period or expiration date.

Attached is a listing of all posters currently required by the Department. Under each program is listed the form/poster number, title, expiration date and how to order the poster.

In addition to the attached listing, the Department publishes an annual County Forms Catalog (ACIN I-45-85) which includes posters listed with a publication number or a temporary form number. The forms catalog explains all current ordering procedures.

If you have any questions, please contact your program consultant responsible for that specific program area.

A handwritten signature in black ink, appearing to read "Robert A. Horel".
